Return on Investment for Active Transportation

271 W. 3rd Street, Rm. 203, Wichita, KS 67202

2:00 - 3:00 PM CST

DESCRIPTION

The economic benefits of walkable and bikeable communities are well documented. In addition to capital gains, investment in placemaking and active transportation yield intangible, societal benefits. This webinar takes a broad look at the wide spectrum of benefits to be gleaned when placing walking, biking and placemaking at the forefront of community design.

PARKING & ACCESSIBILITY

Free accessible parking is available in the lot to the east of the building, with additional PAID spaces found in the metered lot to the north and in the EPIC Center parking garage to the south. Bicycles may be locked in the rack at the front of the building. The nearest BikeShareICT rack is 1 block east on the corner of Main and 3rd Street.

2019 SCHEDULE Continuing Education Certificates will be available after each webinar:

- August 21: Improving Actuation and Detection for Cyclists & Pedestrians
