Slade Engstrom, <i>TranSystems</i>	Marcela Quintanilla, <i>WAMPO</i>	

1. Welcome: Jack Brown, Chair, opened the Safety and Health Committee meeting at 9:30 AM.

2. November 2, 2022, Meeting Summary

3. Agenda Items

A. Comprehensive Safety Action Plan (CSAP) Progress

Nicole Waldheim, Burgess & Niple, provided an overview of the CSAP progress to date and facilitated a discussion about updating the WAMPO 2021 Regional Health and Transportation Report.

Ms. Waldheim shared that her team created a transportation-safety video for WAMPO, available at <https://youtu.be/4ZjuFzbLAK0>.

Ms. Waldheim requested that the scheduled May 3rd SHC meeting not be canceled, so that Burgess & Niple and WAMPO may discuss and share the progress of the development of the CSAP.

The CSAP survey link was shared. It is available at <https://arcg.is/0eGD8a0>

A reoccurring topic discussed was the safety of pedestrians versus automobile users, and the committee wanted this topic to be delved into. They also wanted to add a dedicated safety section to the WAMPO Regional Health and Transportation Report and to look at distracted-driver reports, while focusing broadly on all things other than just pedestrians and bicycle riders (i.e., goods and services). To this end, Allison Smith, KDOT, announced the City of Wichita is updating its bicycle plan and will soon meet with a consultant to discuss how to proceed.

Adrienne Byrne, Sedgwick County, said that the Sedgwick County Health Department has data on health-related activity and safety. She said she would share it with Ms. Bryers to share with the committee. Ms. Byrne said she would also investigate distracted driving campaigns based on the discussion.

Ms. Waldheim said she would add safety and equity to the memo due to the discussion. She said the next steps are to create a memo outline with WAMPO staff and share the outline with the SHC members at the May 3rd, 2023, SHC meeting.

Chair Brown asked that if anyone had any other requested changes or questions regarding the CSAP, to please send them to Ms. Bryers at ashley.bryers@wampo.org.

4. Other Business

None.

5. Adjournment

The meeting was adjourned at 10:34 AM.

The next regular meeting will be held on May 3rd, 2023, at 9:30 AM.

**Note: Information about the development of the CSAP can be found at www.wampo.org/safety.*
