## TABS IN THE EXCEL-WORKBOOK APPLICATION FORM

### ■ “Instructions”

- Please read this tab in its entirety before doing anything else.

### ■ “Project Information”

### ■ “Funding Information”

### ■ “Supplemental Questions”

- If these questions were answered for this project during the 9/15/2023-2/2/2024 Call for Projects for MTP 2050 and the FFY2025-FFY2028 TIP, they do NOT need to be answered again, unless the answers have changed in the meantime.

### ■ “Statements of Assurance”

- If a Statements of Assurances form was already filled out and provided for this project during the 9/15/2023-2/2/2024 Call for Projects for MTP 2050 and the FFY2025-FFY2028 TIP, another is NOT needed.

### ■ “Supplemental Materials”

- Unless updated, any materials already provided for this project during the 9/15/2023-2/2/2024 Call for Projects for MTP 2050 and the FFY2025-FFY2028 TIP do NOT need to be provided again.

---

## TABS IN THE APPLICATION FORM

### “Instructions”

- Complete **one** application **per project**.
- Modification of a TIP project:
  1. Ask WAMPO staff to provide a version of the Excel workbook that has been prefilled with the project's current TIP information.
  2. Make necessary modifications.
  3. Return to [wampo@wampo.org](mailto:wampo@wampo.org).
- Requesting the addition of a new TIP project:
  - Begin with unfilled version of the Excel workbook and enter the necessary information.
- Requesting the removal of a completed/closed TIP project:
  - Listing it as completed/closed in an e-mail to WAMPO staff is enough.
- The tabs "Project Information" and "Funding Information" need to be filled out for every new or modified project.

---

## TABS IN THE APPLICATION FORM

### “Instructions”

- Candidate projects for WAMPO suballocated federal funding, **ONLY**
  - Documentation required for cost estimates (preferably as an embedded file on the Supplemental Materials tab).
  - Supplemental Questions need to be answered if they were not during the 9/15/2023-2/2/2024 Call for Projects

## TABS IN THE APPLICATION FORM

### “Project Information” (Questions for Candidate Projects for Suballocated Funding)

- Request that this project be considered for suballocated federal funding?
  - Y/N
    - ***Documentation is required for cost estimates of suballocated-federal-funding candidate projects. For other projects, it is optional.***
      - Preferred: Embed documentation of project cost estimates on the "Supplemental Materials" tab of this workbook, according to the instructions on that tab.
      - If cost-estimate documentation cannot be embedded or would make this Excel workbook >25MB (max. for e-mail attachments to WAMPO), it may be provided by other means.
- If requesting that this project be considered for suballocated federal funding, what is the preferred FFY of obligation/letting?
  - 2027, 2028, 2029, 2030
- Are there any other FFYs in which the project could obligate/let?
  - 2027, 2028, 2029, 2030
- The maximum federal funding on qualifying project phases is 80%.
  - Select between 0%-80%
- If requesting that more than one project be considered for suballocated federal funding, what is the priority ranking of this project among them?
  - # out of #

---

## TABS IN THE APPLICATION FORM

### “Project Information”

- Project title, limits, and scope
- How the project is consistent with WAMPO Metropolitan Transportation Plan (MTP)
  - Project I.D. from MTP project list MTP goal the project serves
- Project type (drop-down list)
- Checkbox for other types of projects that have a bicycle/pedestrian component
- Checkboxes for if the project is in Butler, Sedgwick, and/or Sumner county
- Administrative and Engineering contact information
- Project notes field (for information the project sponsor needs to appear in the TIP but which does not fit any other field)

---

## TABS IN THE APPLICATION FORM

### “Supplemental Questions”

- Only necessary for projects seeking WAMPO-suballocated funding in FFY2027-FFY2030.
- If the questions were answered for a given project during the 9/15/2023-2/2/2024 Call for Projects for MTP 2050 and the FFY2025-FFY2028 TIP, they do not need to be answered again.
- If you double-click on the Microsoft-Word-document icon, it will open in a separate window, but still be embedded in the Excel file. After answering the questions in the Word document and closing it, all changes should be retained, so long as the Excel workbook is then saved.
- Answers provided in the Word document will be used to determine project scores that the WAMPO Project Selection Committee (PSC) will consider when determining which projects to prioritize for WAMPO-suballocated funding. Scores will be based on criteria last approved by the WAMPO Transportation Policy Body (TPB) on 9/9/2026.

## “Supplemental Questions”

### *Supplemental Questions*

- Open the Word document embedded below to answer supplemental questions used to score/rank projects.
- If suballocated federal funding is **NOT** being sought for this project, these questions do **NOT** need to be answered.
- If these questions were answered for this project during the 9/15/2023-2/2/2024 Call for Projects for MTP 2050 and the FFY2025-FFY2028 TIP, they do **NOT** need to be answered again, unless the answers have changed in the meantime.
- Because the Word document is embedded in this Excel workbook, you do not need to click "save" in the Word window that opens.

## TABS IN THE APPLICATION FORM

### “Statements Of Assurances”

- Required for any project seeking funding in the TIP.
- If provided during previous Call for Projects, does not need to be resubmitted.
- Assertion that project sponsor has the means to complete the project on schedule.
- If you double-click on the PDF icon, it will open in a separate window but still be embedded in the Excel file. After filling in the blanks in the fillable PDF and closing it, all changes should be retained, so long as the Excel workbook is then saved.

## TABS IN THE APPLICATION FORM

### “Statements of Assurance”

#### Statements of Assurances

- Open the fillable PDF embedded below to provide required Statements of Assurances about the proposed project and your agency's ability to follow through on it.
- If a Statements of Assurances form was already filled out and provided for this project during the 9/15/2023-2/2/2024 Call for Projects for MTP 2050 and the FFY2025-FFY2028 TIP, another is **NOT** needed.
- Because the PDF is embedded in this Excel workbook, it does not need to be saved as a separate file.

## TABS IN THE APPLICATION FORM

### “Supplemental Materials” (has instructions for embedding files in the Excel workbook)

- **For projects seeking suballocated federal funding, embed the required cost-estimate documentation on this tab**
- If the project has a specific physical location, embed a map of it here.
- Embed here any other files that support or document assertions made elsewhere in the application (e.g., traffic counts, bridge load ratings, air-quality reports, letters of support).
- Follow the directions in this tab for embedded files in an Excel workbook (final result should resemble the embedded-file icons on the “Supplemental Questions” and “Statements Of Assurances” tabs).
- If embedding all supplemental files would make this Excel workbook larger than 25MB (the maximum size for e-mail attachments received by WAMPO), consider keeping the files separate and providing them by other methods.
  - WAMPO upload URL for materials that cannot be sent by e-mail:
    - <https://www.wampo.org/upload-a-file>
      - Password: WAMPO123

# TABS IN THE APPLICATION FORM

## “Supplemental Materials”

### Supplemental Materials

- Please embed on this tab any cost-estimate documentation, maps, or other supplemental files.
- Unless updated, any materials already provided for this project during the 9/15/2023-2/2/2024 Call for Projects for MTP 2050 and the FFY2025-FFY2028 TIP do **NOT** need to be provided again.

If embedding all supplemental files would make this Excel workbook larger than 25MB (the maximum size for e-mail attachments received by WAMPO), consider keeping the files separate and providing them by other methods.

From Excel's Help menu:

 **Insert a file**

1. Choose where to insert the content of the file.
2. On the Insert tab in the Text group, select  Object .

[Take me there](#)

3. Select **Create from File**.
4. Select **Browse** and choose the file to insert and select **OK**.

Insert icons for embedded files in the box below (*not* linked to original file location).

---

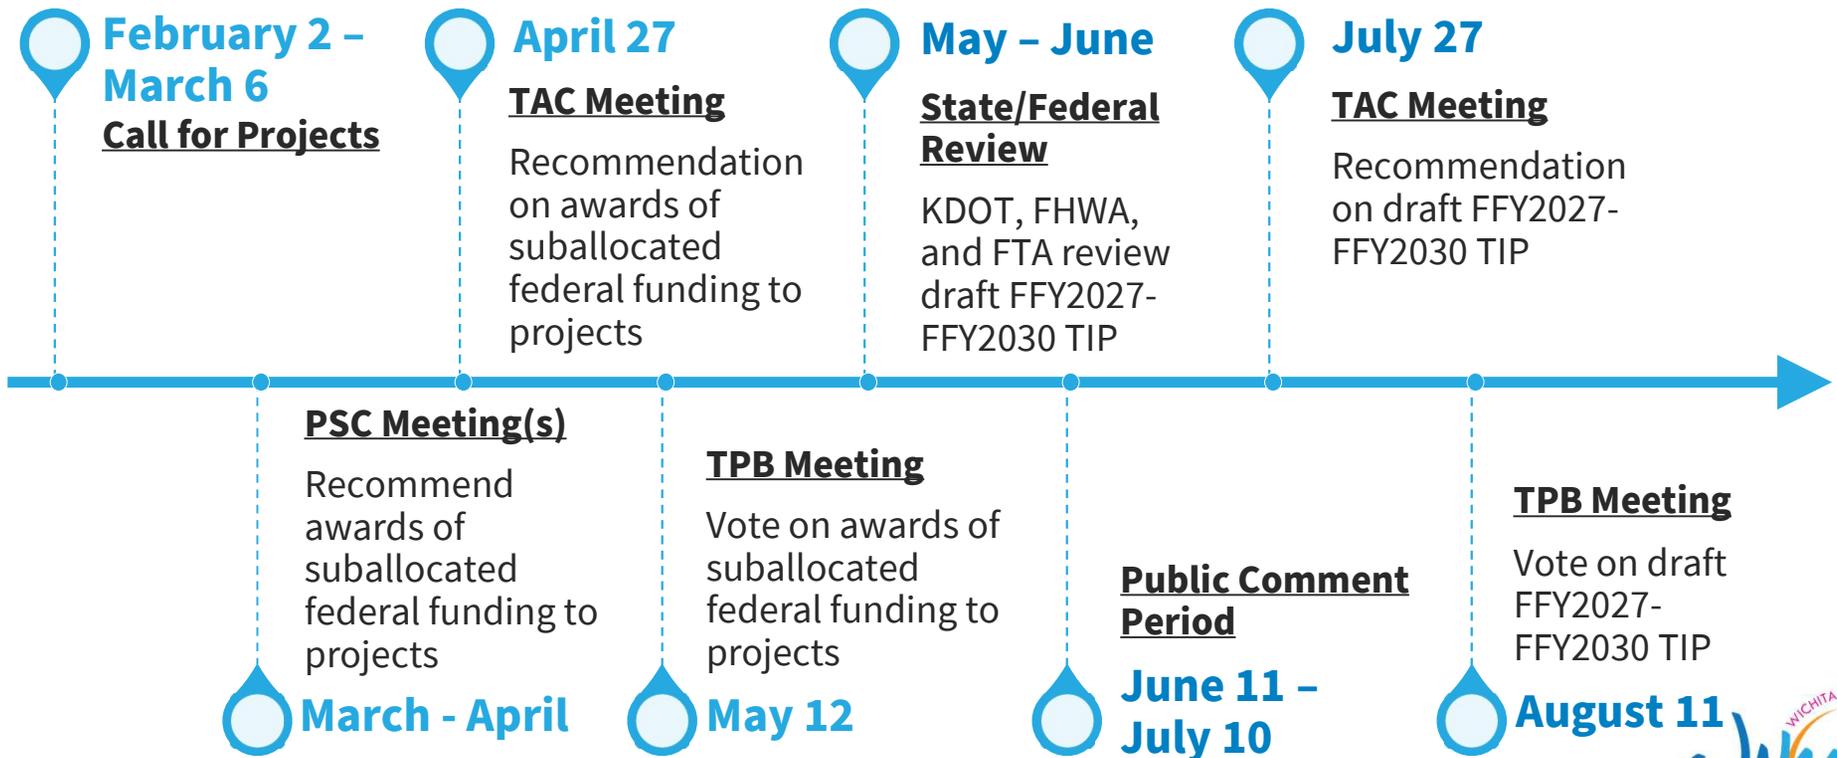

# FAQ DOCUMENT WILL BE MADE AVAILABLE AFTER THE WORKSHOP

- Will include responses to questions asked during the workshop.
- Will be updated when project sponsors submit additional questions outside of the workshop.
